Jacob,

How do you want your name presented.

please see: www.financialanalyst.org/board.html

Also, we can add the name of your company or even a link if you want. We don't make a practice of adding links, but if you want a link added, we can do this for you.

Thanks and Regards, George

George,

I would be greatly honored to be on your honorary advisory board. Please let me know which website I need to go to in order to see my name.

I look forward to receiving my certificate.

Thanks,

Jacob
